

DC-AMS May 2010 Meeting

'Hurricanes and the Washington Metropolitan Area'

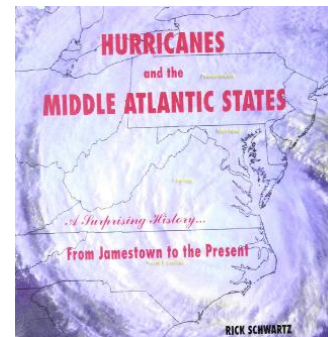

When: Thursday, May 13, 2010
RSVP DATE: Friday, May 7, 2010
To: dc.ams.chapter@gmail.com

Where: NOAA HQ, SSMC II,
1325 East-West Highway, Silver Spring, MD
Room 2358 (2nd floor conf room)

Who: Richard Schwartz, Author
www.midatlantichurricanes.com

Time: 6:30 pm – 8:30 pm

Food/Cost: Potbelly sandwiches and drinks –
Free for DC-AMS members/\$5.00 for non-members

Richard will examine the four main threats from hurricanes that visit the DC area -- wind, tidal flooding, rainfall flooding and tornadoes. It will provide the audience a perspective on what to anticipate this hurricane season. His presentation uses extensive historical damage photographs, as well as track maps.

After the presentation, Richard will offer his book for sale at the bargain price of \$20 (regularly \$32.95) for those in the audience who may be interested.

Directions:

- NOAA/NWS Headquarters (SSMC2) is accessible via the Silver Spring stop on the METRO Red Line.
- Parking is available under SSMC3 for free after 7pm. Before 7pm, you can park by meter in the same garage – bring quarters.
- SSMC3 is located at 1315 East-West Highway, Silver Spring, MD 20910.
