Parking - there is very limited street parking available - suggest metro as best option

The DC-AMS Chapter is always looking to do more in the community. With the Thanksgiving and Christmas holiday seasons just around the corner, food pantries around the DC Metro area are looking for to stock their shelves for what should be a very busy year.

With that in mind, the DC-AMS chapter will be holding a non -perishable food drive to benefit a The Capital Area Food Bank. We would love to make this a very happy holiday season for those who may need some assistance this holiday season.
